HEALTH MESSENGERS

TRAINING HELD ON MAY 28, 29 AND 30, 2025 in São Paulo

The Health Messengers training for Athletes and Mentors marked the beginning of the first Health Messengers cycle in Brazil. The training brought together 11 Mentors and 10 Athletes, as well as Clinical Directors, the leadership team of Special Olympics Brazil, and Gonzalo representing SOLA. From this training, we launched the 2025–2026 cycle, forming 7 teams representing the states of Bahia, Pernambuco, Rio de Janeiro, and São Paulo.

FAMILY FORUM - 2025

Physical and Mental health are built through many factors within society.
Special Olympics Brazil believes that when families are connected, athletes become more engaged in sports and more aware of their health.

The Sports and Health Programs in Brazil have a direct connection with the local Lions Clubs, facilitating active volunteer engagement and participation of local members in the events.

Lions Clubs involved in 2025:

Special thanks to the leadership team of Special Olympics Brazil for their continuous support, to SOLA for their guidance and partnership, to the Clinical Directors and all the volunteers who make the program possible, as well as to the supporters of our initiatives, partner institutions, and dedicated athletes.

In 2026, may we reach even further and create more opportunities through the Program. Join us as a supporter!
